## **CELINA PRZYKŁĘK**

(CELINA LAWINA)

A graduate of the Łódź Film School's Directing Department with a specialization in Film Editing, Celina Przykłęk is a film editor, video artist, and director of short forms and music videos.

Films she has edited have received numerous awards and nominations in Poland and internationally. In 2024, she was awarded Best Editing for *Ojciec.Syn* at the Magma Festival in Italy. Her music videos have also been recognized at various festivals. Celina is also the author of two photographic publications.

Her artistic practice combines video art and dance, exploring the intersection between movement, image, and emotion. A graduate of an experimental choreography course run by the Burdąg Foundation, she seeks new ways to express bodily dramaturgy through film.

Currently, her work focuses on social themes such as feminism, migration, and global issues, while also delving into myth, history, and the core of human experience — creating a cinema that searches for truth through intimacy and universality.

# VIDEO ART VIDEO DANCE VIDEO CLIP

CELINA LAWINAIS IS A VIDEO ARTIST WHOSE MAIN FIELD OF ARTISTIC EXPLORATION IS VIDEO ART. WHAT SHE VALUES MOST IN THIS MEDIUM IS THE FREEDOM TO CONTINUOUSLY SEARCH FOR NEW AUDIOVISUAL SOLUTIONS AND EXPERIMENT WITH FORM AND PERCEPTION.

IN HER SHORT FILM WORKS, SHE MOST OFTEN AND MOST WILLINGLY USES DANCE AS A MEANS OF EXPRESSION, EXPLORING THE BODY AS A CARRIER OF EMOTION, RHYTHM, AND MEANING.

# STORY ABOUT WATER - VIDEO DANCE, OCTOBER 2025

STORY ABOUT WATER IS A VIDEO ART PIECE THAT BLENDS LOCAL VOICES AND MOVEMENT INTO A NEW NARRATIVE ABOUT OUR RELATIONSHIP WITH WATER. THE SOUNDSCAPE CONSISTS OF RECORDINGS OF STOCKHOLM RESIDENTS SHARING CHILDHOOD STORIES AND MYTHS ABOUT WATER, INTERWOVEN WITH A FICTIONAL TALE WRITTEN AND NARRATED BY THE ARTIST.

FILMED AROUND SLUSSEN, STOCKHOLM AND NEARBY NATURE PARKS, THE VIDEO FOLLOWS A DANCER EMBODYING A MYTHICAL CREATURE DRAWN FROM SWEDISH FOLKLORE. THROUGH THIS CHOREOGRAPHY AND STORYTELLING, THE WORK REFLECTS ON HOW COLLECTIVE MYTHS SHAPE OUR EMOTIONAL RESPONSE TO THE CLIMATE CRISIS AND HELP US IMAGINE NEW WAYS OF BELONGING IN A CHANGING WORLD.

THE PIECE WAS CREATED DURING AN ARTISTIC RESIDENCY IN STOCKHOLM AS PART OF THE EUROPEAN PROGRAM TURNING THE TIDE.

# MIMESIS - VIDEO DANCE, AUGUST 2023

IS A DANCE AND VIDEO ART PROJECT EXPLORING THE WETLANDS OF WARSAW — SPACES OFTEN OVERLOOKED YET VITAL TO THE CITY'S ECOLOGICAL BALANCE. THE WORK REFLECTS ON WHAT SWAMPS AND MARSHES MEAN FOR WARSAW, BOTH AS LIVING ECOSYSTEMS AND AS SYMBOLIC PLACES OF TRANSFORMATION, MYSTERY, AND COEXISTENCE BETWEEN HUMANS AND NATURE. THROUGH THE FUSION OF MOVEMENT AND IMAGE, THE PROJECT INVITES VIEWERS TO ATTUNE TO THE RHYTHM OF NON-HUMAN LIFE AND TO RECONSIDER THEIR RELATIONSHIP WITH URBAN NATURE. THE PIECE WAS CREATED AND PRESENTED DURING THE OTWARTY JAZDÓW FESTIVAL 2023.

# FILM EDITING

CELINA'S JOURNEY WITH FILM EDITING BEGAN AT THE ŁÓDŹ FILM SCHOOL.

IN CINEMA, SHE PRIMARILY SEEKS WHAT THE VIEWER CANNOT PREDICT — BOTH IN NARRATIVE AND FORMAL ASPECTS.

SHE IS DRAWN TO WHAT SHE SEES FOR THE FIRST TIME, AND MOST OF ALL, SHE VALUES AN UNCONVENTIONAL APPROACH TO FILM MATERIAL.

# “Fading Snows”

## “Father.Son”

After being released from prison, Mariusz and his son attempt to adapt to everyday life, blending the struggles of daily existence with habits formed behind bars. Contrary to common belief, their relationship is filled with love and self-reflection. The protagonist's sensitivity contrasts sharply with the harsh reality that leaves lasting scars on former prisoners, excluding them from healthy social functioning.

There is no signal and no year 2020. There are no cause-and-effect sequences and no dreams. This is not an escape — it is life. He is here, and so is this place. “Just for today,” he says. “Just for today, and I will live.”

# PHOTOGRAPHY

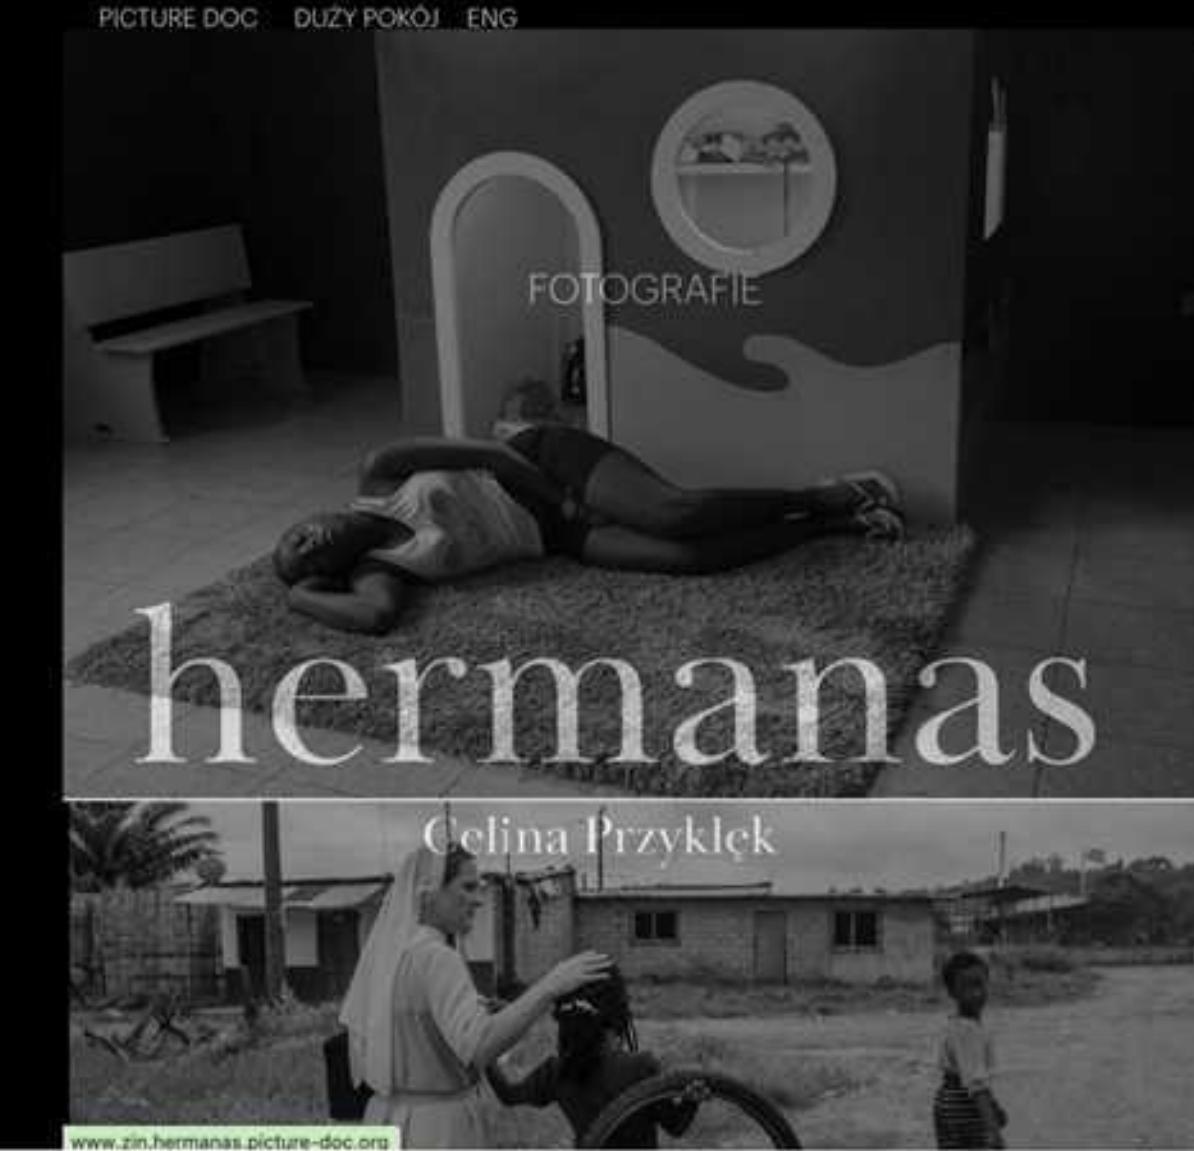

A CAMERA HAS LONG BEEN A CONSTANT COMPANION IN CELINA'S LIFE. SHE CAPTURES MOMENTS BOTH ON FILM AND DIGITALLY, PRESERVING MICROSECONDS OF MOVEMENT – SOMETHING THAT DEEPLY FASCINATES HER.

# "HERMANAS"

<https://www.hermanas.picture-doc.org/2/>

In February 2020, she visited a girls' orphanage in Santo Domingo, Ecuador, run by Polish nuns. Drawing from her experiences there, she created a photographic reportage, which was later published on the PICTURE.Doc creators' platform.

# "MEMORY LOSS"

The idea for the photographic book originated from the loss of a hard drive where she had archived her personal photos for years. She began searching for the lost images wherever they had accidentally survived – on old computers belonging to friends, outdated blogs, phone archives, and social media conversations.

This experience led her to reflect on how and what we remember, how memories intertwine, what kind of story they create, and how incompletely they represent reality. She sought to translate these reflections into the tangible world of paper.

The book was created in 2021 as part of the @tonmagazyn + 19R workshop program.

Three journeys along the coastline – three stories  
about a sea that is disappearing.

An audiovisual project created as part of the  
Cultural Scholarship of the City of Gdańsk.

# "PRAYERS"

Our bodies have experienced the first – and every other – feeling of closeness, intimacy, pain, and rejection.

We probably can't count how much pleasure they've given us, or how many wounds they've healed.

They have allowed us to dance since childhood, to feel the sun, the touch of the wind, the frost, or the heat. They have burned, shivered with cold, grown, and begun to age. They have carried us on long walks, through travels, and through life itself. They have witnessed beauty and ugliness, love and anger, exhaustion, fear, peace, and comfort.

The body also exists in the realm where biology intertwines with cultural narratives.

Bodies confront deeply rooted taboos, cross boundaries, and transform.
